When ordering Three-way valves, specify the size and figure number of the valve, plus the style letter of the port position desired.
 Example: 3" - Figure 301T, Style C, Three-way valves are furnished without stop-rings to allow a full 360° turn, as standard.

Valves are normally supplied without stops, but limiting stops can be fitted at extra cost.

*Also available in 3-way, 2-port for 180° turn, right or left hand operation.
